

THE
NEW

LOOK
OF 1967

The foundation of our new school has been laid. The future promises a beautiful school.

The Pioneer - 1967
Tolleston High School
Gary, Indiana

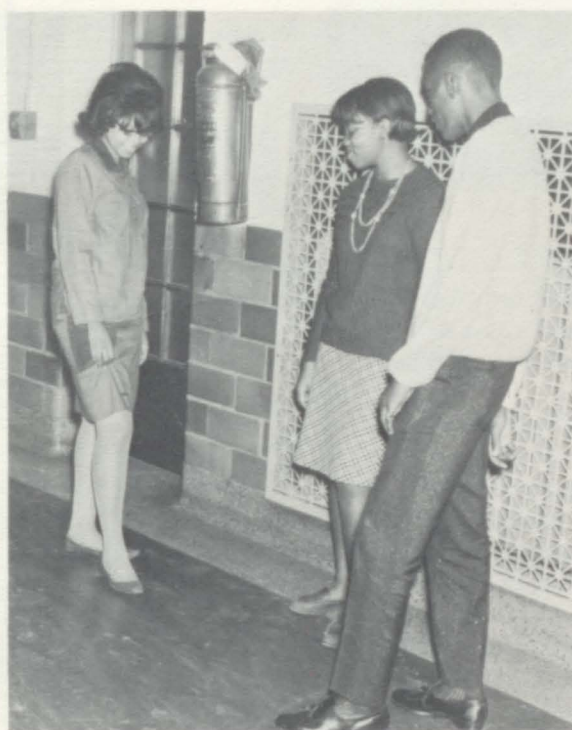

BUILDING FOR THE FUTURE

The west side of Tolleston is just as modern as the east. This is only the beginning.

Men, materials, and money are the basis for our future buildings.

James and Janet look on as Antionette shows the latest look in fishnets--beige. They represent the neat and conservative look at Tolleston.

MOD. MOD.

The mod mod look goes wild at Tolleston. Above Jerrilyn and Gail model fishnet stockings and a hipster skirt and a jumper.

James looks on as Mr. Cieadlo laughs at the new "boy" look of Andree's tie.

MOD. MOD.

The business manager, Andree works hard as she writes out a receipt for down payments on the pioneer. Other students are very busy, too.

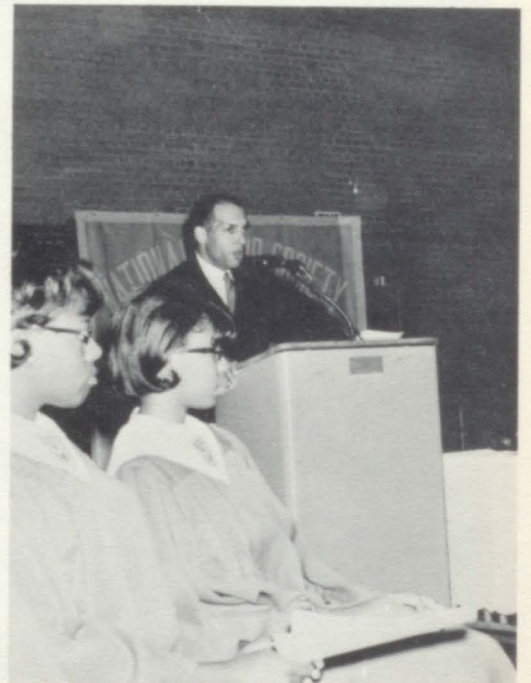

The Pioneer staff worked diligently trying to execute the job of producing this yearbook. The hours were full of discussions and opinions when the Pioneer staff tried to gain and compile the most interesting information. The business manager wrote out many receipts for payments for this year's Pioneer. Other students did various jobs-layouts, copy, typing, and editing.

TOLLESTON POINTS THE WAY

The cheerleaders yell with zeal and force as they sing their school song.

Mr. Snead gave the closing remarks at the Honor Society Induction ceremony held in the fall.

FASHION, FUN, AND PHYSICAL TOIL.

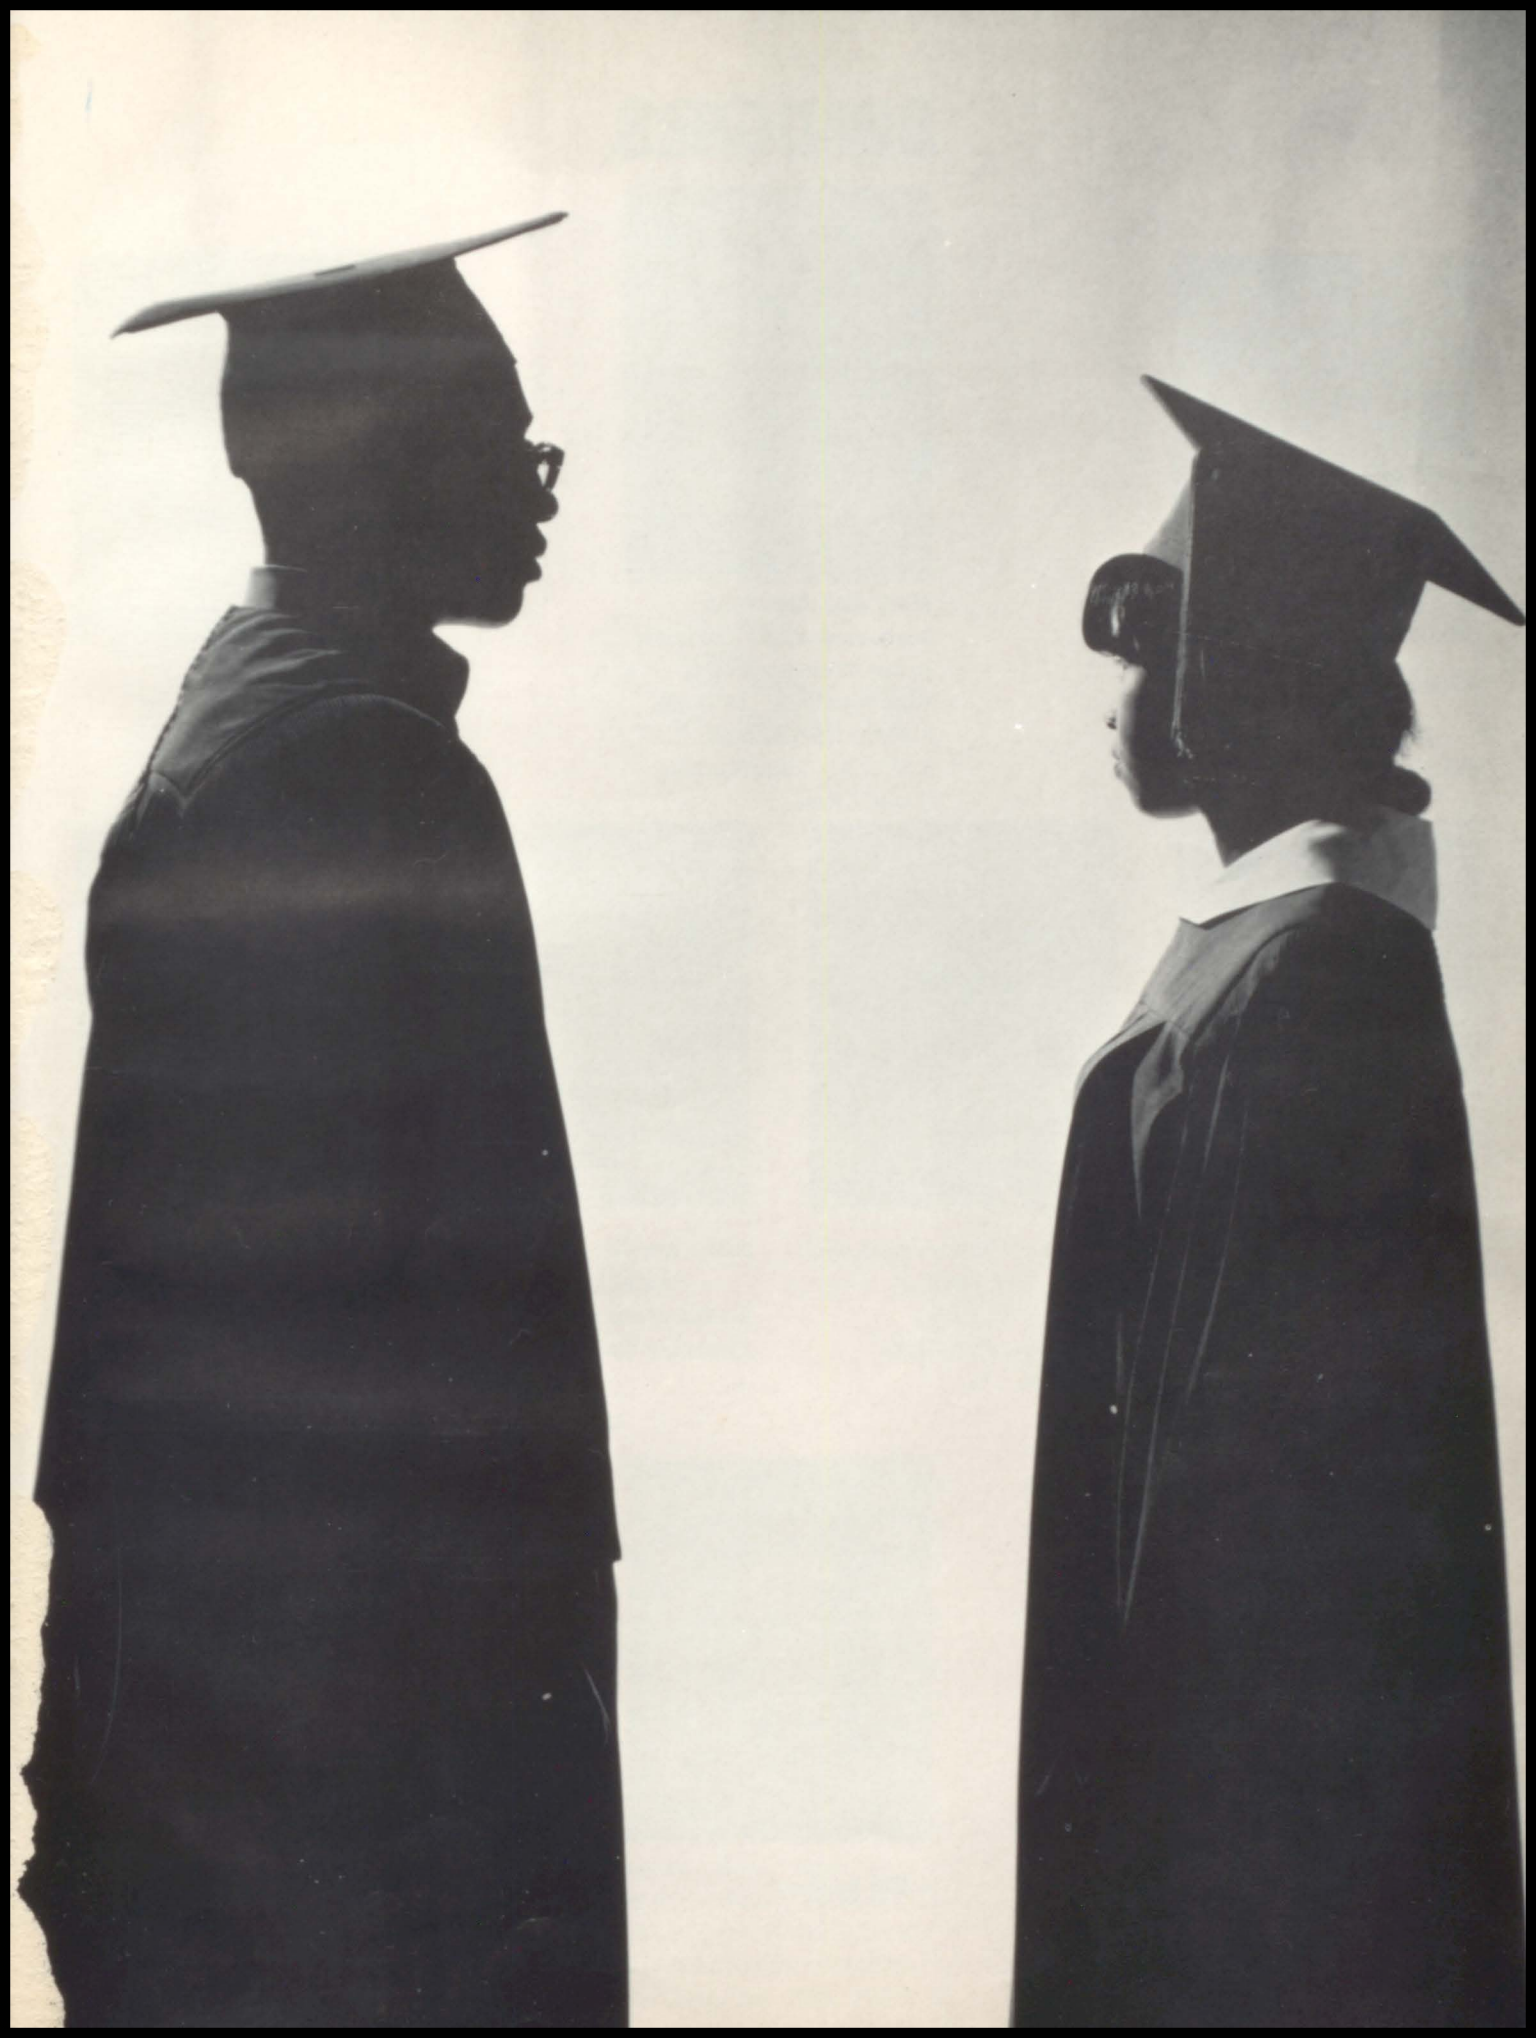

Sprinting toward the goal post, this T.H.S. player attempted to score.

The bright uniforms added color and cheerfulness to the games during half-time performances.

HOMECOMING QUEEN

FOOTBALL HOMECOMING

The new 1966-67 Homecoming Queen Linda McCoy, was crowned by Mr. Carrabine. Our new Queen looked lovely as she held the roses of royalty.

Tolleston Homecoming Queen Contestants were:

First Row: 4th Patty Terry, 2nd Lynette Barham, queen Linda McCoy, 3rd Sheryl Brewer, 1st Mary Ann Alexander, and 5th Donna LaBroi.

HIGHLIGHTED THE SEASON

The contestants await anxiously for their escorts to accompany them to the field.

Poise and regality seemed natural for these contestants.

These contestants await with much anxiety for the final moment.

THE IN-BETWEEN HOURS

The art of speaking in public should not be taken for granted.

ENTHUSIASM

Students find committee work valuable.

While learning about the past, the students are preparing for the future.

CLUBS AND ORGANIZATIONS

Here is a typical example of the club sponsors and principals who worked together with students in order to promote the school's clubs and organizations.

HONOR SOCIETY

STRESSED SCHOLARSHIP

ROW ONE, Left to Right: Carolyn Hill, Antionette Raspberry, Marie Hull, Shirley Stallion. ROW TWO: Gail Green, Betty Ferguson, Gail Whitman, Jerrilyn McGregory. ROW THREE: Wanda Cain, Margo McCallum, Sandra McCants, Stephanie Thomas. ROW FOUR: James Williams, Gerald Woods, Richard McClelland, Jimmy Cleveland, Wendell Johns.

Honor Society members were seated after the induction ceremony.

The National Senior Honor Society consisted of Juniors and Seniors with better than average scholastic records. There were 20 active members. These members worked diligently throughout the year to make it a productive one. This year the Honor Society earned its extra money by selling personalized stationery and napkins. Twice a year (at the beginning and end of the year) the Honor Society inducts new members. To become a member of this organization is the highest honor bestowed upon a high school student. One must not only maintain a "B" average, but he must also excel in leadership, scholarship, character, and service. The main purpose of the Honor Society is to gather the intellectual aims of its members, and to set up an example of excellence for Tolleston High School.

The 1966-67 Honor Society officers were -- Seated, Left to Right: Shirley Stallion, Secretary; Gail Green, President. Standing: Antionette Raspberry, Parliamentarian; Marie Hull, Treasurer; Jimmy Cleveland, Torchbearer; and Barbara Herndon, Committee Chairman.

PUBLICATION OF THE PIONEER

ROW ONE, Left to Right: Patricia Sain, Linda McCoy, Janise Kyle, Deborah Moore, Belinda Ransom, Andree Hudson, James Thomas. ROW TWO, Left to Right: Ronald Marcus, Jerrilyn McGregory, Wendell Johns, Antionette Raspberry, Reginald Marcus.

The 1966-67 PIONEER Staff spent long hours on this year's PIONEER. The completion of the PIONEER caused great problems which rose one after another. The PIONEER room seemed to be in continuous confusion, but the staff was competent.

Frustration began at the first of September when the work on the 1966-67 Pioneer began.

This year, the PIONEER has some pages that contain color, which make the book appear more cheerful.

The PIONEER was published by a new company this year, and the PIONEER Staff found this company very co-operative. Many new features were added.

After hard work the first fifty pages were sent to the publisher in November. The first of the three deadlines had been met. Still, the staff had more work to do. This was only the start of their tedious job. When the first fifty pages were returned in January, there was proofreading to be done.

DEMANDS MUCH TIME

ROW ONE--Left to Right: Karen Pulliam, Anne Page, Leonard Brown, Shirley Wesley, Delores May. ROW TWO: Susan Millender, Vernett McClatchey, Angela Smith, Sandra Landrum. ROW THREE: Beverly Russell, Ruthye Cotton, Darlene Jackson, Priscilla Murphy, Sheila Culver.

Finally the book was finished and sent to be published. Although the staff was busy, it had been taking subscriptions all year.

When the book finally arrived, there was a small amount of work to be completed. The staff finished collecting the money and distributing the annual. The 1966-67 PIONEER was distributed in the middle of May before Senior "Check-Out Day."

The hard-working PIONEER Staff consisted of twelve seniors and two juniors. The Editor-in-Chief was Deborah Moore, a senior; Assistant Editor was Janise Kyle, who was also a senior. The sponsors are Miss Joanne Minelli and Mr. Charles Davis.

This year the PIONEER Staff had much help. The Assistant PIONEER Staff was the Journalism I class taught by Miss Minelli. The Assistant PIONEER Staff will be prepared to take charge of next year's PIONEER.

AN EXCITING YEAR

Rehearsing is enjoyed
by members of the play cast.

This year the Tolleston Drama Club expanded its activities to include participation in a variety of speech contests with students of other schools in the Calumet Area. Through the Drama Club, Tolleston became affiliated with the Calumet Forensic League, a local speech organization.

The Drama Club also undertook the production of two plays; *HERE COME THE BRIDES*, presented in December, and an original play written by Allen Zwinkles (Sponsor), and Gerald Pacyna, another teacher at Tolleston. The original play was presented during the second semester.

Each member of the Drama Club was required to participate in speech contests and to be a member of the cast or stage crew for each of the plays. The Drama Club enjoyed a successful year.

"Le Cercle Français" is an organization whose primary interest lies in aiding the French student to a fuller understanding of the language, country, and folklore of the Frenchman.

Throughout the course of the meeting French is the only language spoken.

The task of learning about this country is aided by the fact that "Le Cercle" attends French plays, and movies, and members sometimes dine in French restaurants.

The "nouvelle" sponsor, Miss J. Yancey, is a dedicated sponsor and avid teacher of the French language.

"Le Cercle" had as a fund-raising project a donut sale during every hour of the school day.

Their anticipated big annual event, the Mardi Gras, corresponds very much to the "fete" in France.

The Tolleston Senior G. A. A. sponsored by Miss A. Brown has a variety of activities and sports. These activities include a tea for prospective members, car washes, initiation, informal induction, Halloween Dance, Candy Sale, Christmas Spread, Bake Sale, Mother-Daughter Night, foot hike and a bike hike.

G. A. A. Sports include speedball, volleyball, basketball, stunts, tumbling, wallball, recreational games, softball and bowling.

The annual Christmas Spread was held on the 20th of December. Each member of G. A. A. was required to bring for admission, one can of food and 15 cents which was used to fill a Christmas Basket. This basket which included everything from turkey to desert was given to a needy family in the Tolleston area. Each member, also, brought a small gift to exchange and a sack lunch for refreshments. Each grade classification presented a skit for evaluation. Honors went to the Freshmen for their outstanding skit.

Many girls work diligently toward the big night when they will be awarded for their participation and contribution to G. A. A. This year the G. A. A. Sports Banquet will be held at the San Remo Restaurant in Griffin, April 28th. Those girls who have earned at least three hundred points will be eligible to attend. At this time awards will be given in the following categories: 15,000 Points Award -- The Tolleston "T" Emblem; 3,200 Point Award -- The Senior Trophy; Council Participation Award -- A Star; Sportsmanship Award; Outstanding G. A. A. Member Award; Trophy and Certificate Awards for Sports Tournament Winners; prizes for girls who were outstanding candy salesmen.

A May Dance will be held to culminate the activities for the year. Refreshments will be served and Mr. Giolas will take pictures of the girls and their escorts.

SCIENCE CLUB STUDENTS CREATES NEW IDEAS

ROW TWO: Brunetta Smith, Marsha Stevens, Alice James, Jimmy Cleveland, Reginald Marcus, and Mary Ann Moore. ROW THREE: Selma Kirkendall, Beverly Russell, Susan Millender, Richard McClelland, Ralph McDade, Berle Jones, and Cynthia Ransom. ROW FOUR: Mr. J. A. Cohen, Sponsor; Russell Phelps, James Wiley, Darrel Britt, and Cecil Sells.

New Science Lab equipment intrigues students.

The Science Club is made up of students who desire to know more about the world that we live in. One of the aims of the Science Club is to familiarize the science student with the many branches of science. With all science teachers as co-sponsors, the Science Club attempts to encourage and further stimulate interest in the many occupations open to a student who is interested in entering the field of science as a permanent career. Periodically projects are submitted by members.

The year began with the induction of more than twenty new members under the leadership of Marsha Stevens, President. During the induction the future scientists were encouraged to continue their pursuits in life and to establish goals.

THE Y-TEENS EXEMPLIFY

The Turn-a-bout Committee are on their way to a Y-Teens' meeting in the library.

"To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians." This is the purpose of the Tolleston Y-Teens.

The Y-Teens had many activities which accomplished their goals. To grow as a person: The first activity was a "make me over inside and out" project. The object was to develop a richer and more pleasing personality and a more attractive appearance. For a money-making project, each girl was required to sell a fire extinguisher. With this money the Y-Teens gave their annual Y-Teens Turn-a-bout. The dance was lovely and a complete success.

The Y-Teens boosted the Raiders on to victory at the Sectionals.

HIGH MORAL STANDARDS

Y-Teens Officers 1967 -- TOP TO BOTTOM: Mrs. Elliott, sponsor; Valerie Brazelton, Secretary; Edmona Marcus, Treasurer; Stephanie Thomas, Vice-President; and Antionette Raspberry, President.

To grow in friendship with people of all races, religions, and nationalities: the Y-Teens sent representatives to participate in the Mid-Winter Conference, and also plan to send girls to the Summer Conference.

To grow in the knowledge and love of God. The Y-Teens opened every meeting with a prayer. They also gave gifts to the Nursing Home for Christmas.

These are the goals of the Y-Teens and they worked hard this year to accomplish them.

For fun the Y-Teens made the inductees dress as little girls and put them through a rough initiation.

The Y-Teens president and vice-president hand out to the anxious members tickets for the "Mr. Irresistable Dance."

I started this year off
with a BANG!!!!!!!

Color me "Green."

"Don't Mess With
Bill."

Anyone for a heavy
date?

Playboy Bunnie of '67

Would you believe I
gained a few pounds?

I want to be where
the boys are!

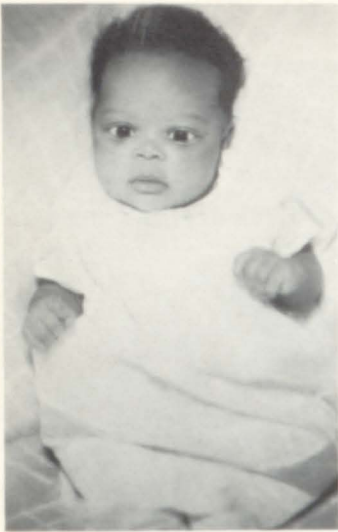

Ma, can I play with the "Block"?

I'm always happy
when Johnny comes
home again.

THEY'LL NEVER BE

"Bright Eyes"

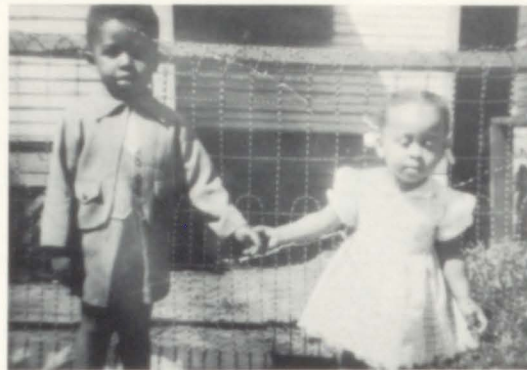

No curls, just body!

Which twin has the Toni?

The Days of Wayne and Roses.

Come on! The picture's over.

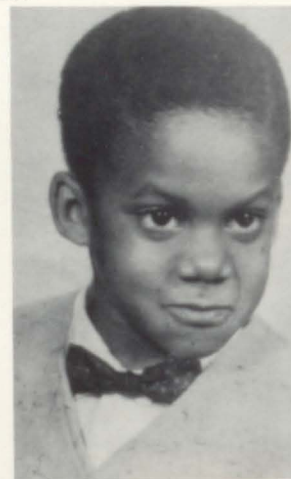

I grew up to be a shy young man.

We're going into Vaudeville.

I want to be a stone "Gouster".

I'm the "Tolleston Block".

Just one more for the road, Ma?

THE SAME AGAIN

Bowmen's love did
wonders for me.

I'm gonna marry
someone tall, dark,
and handsome.

Am I tall, dark and
handsome?

I'm full of love --
brotherly love.

Ride 'em cowboy.

I want some sugar.

One "Byrd" in the
hand is better than
two in the bush.

Uh! Uh! Karate!

Guess what I'm hold-
ing in my hand?

Even though I'm a
senior, I'm not going
to let it go to my head.

Ma, I have to go to
the "Johns".

SPORTS

Participation in athletic competition was essential in helping to build and strengthen character. Being a member of the football, basketball, tennis, track, cross country, wrestling or baseball team, taught the importance of developing and exercising physical abilities to the utmost, not for personal gain or glory, but rather for "the good of the team."

ACKNOWLEDGEMENTS

Although the entire PIONEER Staff worked diligently during the year to make the yearbook a success, special thanks should be extended to our sponsors and our photographer, Mr. John Giolas, all of whom did much to aid the student journalists.

We would also like to thank the administrators, the faculty, and the entire student body for their support and co-operation. Without their help the yearbook would not have been a success.

AN OPPORTUNITY TO SERVE

An opportunity to serve awaits industrious young men and women at Northern Indiana Public Service Company. As one of the top gas and electric distribution utilities in the United States, NIPSCO is constantly looking for new processes and methods of efficient operation. These include atomic power generation, extra high voltage transmission, underground electric distribution, computerized system planning, underground storage of natural gas, community analyses and electronic data processing.

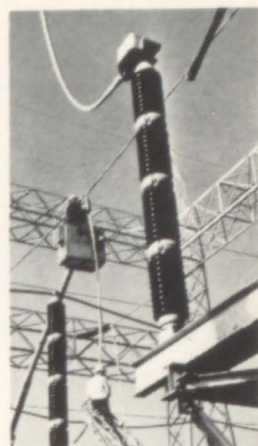

Ready to grow with a growing company?

IN AN ATMOSPHERE OF GROWTH

NIPSCO is one of the highest-paying utilities in the State of Indiana. Its attractive employee benefit package—tuition refund plan, vacations, holidays, life insurance, comprehensive medical insurance, pensions, etc.—provides an atmosphere for individual growth. Fifteen leading colleges and universities are strategically located throughout its service area with others available in the greater Chicago area. Drop in. We'll be glad to talk jobs with you.

COMPANY

Dear Graduate:

Congratulations on passing another milestone in your young academic career.

May I encourage you to pursue your education further, whether it be in the formal structure of a college classroom or the informal atmosphere of an important trade or pursuit. Education does not end with the granting of a diploma, it really begins at that point.

Your graduation means the launching of a new career. I hope it is one of good citizenship and community participation. Above all, I hope your further scholastic career will encourage your active work to make Gary a more dynamic and vibrant community. Together, we can make Gary the All-American City of the Century.
